

# ARCHIBALD'S RESTAURANT FUNDRAISER — PARTICIPANT INFORMATION —

Hello! Thank you for contacting Gardner Village with your donation request. We value the work you do in our community and appreciate your dedication to raising funds.

Although we're unable to provide a donation to every group that reaches out, we would be excited to partner with you in a way that can make an even greater impact.

Once each month, Archibald's Restaurant at Gardner Village hosts a Community Fund-raising Day for one selected school or association. On a mutually agreed-upon weekday, we donate 10% of all sales back to your organization when your invited guests present a digital flyer to their server. This format often generates a contribution that surpasses the value of a traditional gift card donation, while also creating an event that brings your supporters together.

All we ask is that you help spread the word to your families, members and community, encouraging them to dine with us on your designated day. We will provide a digital flyer for you to share, and following the event, your 10% donation will be issued to your group.

If this sounds like a good fit for your fund-raising efforts, we would be happy to discuss available dates and next steps. We look forward to the opportunity to work together and support your goals this year.

LOCATED AT 1100 WEST 7800 SOUTH • WEST JORDAN, UT
